To

The Divan of Savanur.

Sir,

In continuation of this office No. 1504 dated 22nd October 1914, I have the honour to inform you that besides the owner of survey number 92 - the cost of acquiring whose land for the Hattimattur Savanur road has been estimated by my predecessor at Rs. 350-- the owners of S. Nos. 44 and 45 of Jallapur are also reported to be unwilling to part with their lands gratis. They demand compensation at the rate of Rs. 100 ^{the} per acre, but the panch have valued their land at Rs. 60 the acre; the area of land to be acquired from the two S. Nos. is more or less 2 acres 38 gunthas (or say 3 acres). At the rate estimated by the panch the cost of acquiring this land comes to :-

Market value of 3 acres =	Rs. 180
15 percentum for compulsory acquisition =	Rs. 27
6 % interest on Rs. 207 for say 5½ years. =	Rs. 68-5-2

	275-5-2

I therefore request that you will kindly arrange to make provision for this amount in addition to the sum of Rs. 350.

2. I am submitting to the Collector the required notification for the acquisition of these lands and no sooner the notification is published I will take steps for the acquisition of the same. I have the honour to be

Sir,

With reference to your Nos. 201 and 204 dated 11th and 12th Instant respectively I have the honour to point out that in my letter No. 71 of 18th January 1915 I requested you to make provision for Rs. 276 plus 1350 whereas you say that provision for Rs. 276 will be made in the Budget for 1915-16. I therefore again re-request you to make provision for the whole amount viz. Rs. 626 or say Rs. 650 in round figures.

2. It is true that in 1910 all the owners of lands taken up for the road with the exception of the owner of S. No. 93 of Jallapur had agreed to part with their lands gratis but when the --- Mamlatdar of Karajgi called upon them to give -- their writ-ten statement to that effect, the owners of lands in sruvey numbers refused to give their lands gratis, hence it is necessary to make provision for the amount required to pay compensation to these land owners.

-Order-

The road from Savanur to the Hattimattur Railway Station was constructed at the joint cost of the Savanur State, and the Taluka Local Boards of Karajgi and Bankaur. Most of the owners of the lands situated in the Karajgi Taluka through which the road passed had agreed to give up their portions free except a few. Proceedings however were not taken under the Land Acquisition Act and so a Notification under the Act has now been published and these proceedings are commenced in consequence thereof. The proceedings are concerned with the portion of the road in the Karajgi Taluka and not ^{that} within Savanur State limits.

2. The road passes through S. Nos. 61, 69, 70, 71, 117, 118, 119, 76, 78, 77, 78, 113, 111, of Kalalkond village and S. Nos 43, 44, 45, 93, 84, 85, and 86 of Jallapur village. S. Nos. 43, 84, 85, and 86 of Jallapur are Government Waste Gairan Nos, and therefore not notified. The rest are occupied and notified for acquisition.

3. The details of the portions acquired out of these Nos. with the names of their occupants are shown in a statement prepared by the Mamlatdar of Haveri at the instance of this Court. The statement is recorded as Ex: No. 8.

4. The plan of the road and those of the areas acquired in the two villages are Exhibited as Nos. 1, 1-a, and 1-b.

5. Notices have been served on all the interested persons (Exs: 2, 2-a, 2-b, 2-c, 6-a to 6-z, 7-a to 7-e). Only Rudrappa bin Irappa (S. No. 45), Fakirappa bin Basappa (S. No. 93/2), Gowrishankar bin Ramprasad (s. nos 69, 70, & 71), Gangava kom Basappa (s. no 93/1), Dattatraya Curnati Kulkarni (s. no 76/1) have appeared before the court and got their statements recorded. The other persons have failed to appear. Some 13 of them have sent an application for postponement (Ex: 9) on the excuse that they are engaged in sowing work and want time and ask me to postpone ^{proceedings} till I visit their village. I however do not consider that

it is necessary to grant any time. They could have deputed some one of them to say what they have to say in the matter. Besides these persons and as well as ^{the rest} those who have not appeared have all agreed on two previous occasions to give up their lands free to the road- once in 1910 before a Committee of officers appointed to settle about the acquisition before the construction of the road was actually taken up; and it was on their assurance, which assurance was given by them in consideration of the facts that the road was to be very great benefit to them and that the fruit of any road side trees planted thereon was to be ~~maintained~~ enjoyed by them, it was on this assurance that the construction was actually undertaken, the question of compensating the few who were unwilling to give up free being reserved to be settled after the construction; & again before the Mamlatdar of Haveri in 1914. There is therefore no reason for me to wait for recording the statements of the absentees. Their statements would in any case be merely formal as they can not now reside from their previous agreements on the faith of which the road was constructed.

6. There is no dispute as to the area and the persons interested .

7. The only question is the amount of compensation to be awarded to the owners, who have claimed it from the first. This question has reference to S. Nos. 44, 45, & 93 of Jallapur and 69, 70 and 71 of Kalalkond.

8. S. No. 45 measures 16 acres and 9 gunthas and is assessed at Rs 19. Out of this an area measuring 2 acres 7 gunthas with a proportionate ~~of~~ assessment of Rs 2-9-0 has been taken up. The owner Rudrappa asks for compensation at Rs 100 per acre or such reasonable amount as may fixed by the Court. He says that the road cuts off a small bit on the other side the usefulness of which is ~~thereby~~
 ~~thereby~~ thereby

thereby reduced. The land is Jirayat. Its rental value is estimated by the Panch at Rs 5 per acre or Rs 10-14-

The Panch have valued the land at Rs 60 per acre or 60 times the assessment. The owner of S. No. 44 is the widow of the brother of the owner of the S. No. 45. She has not chosen to appear before the Court, but it is understood from Rudrappa that her contention is similar to his. The area of this No. is 17 acre 6 gunthas and assessment Rs 17-12-0, the portion taken is 51 gunthas bearing an assessment of Rs 13. This is also Jirayat land. Both are unalienated. The Panch estimate for this land comes to about 60 times the assessment. There have been sales in previous years in S. No. 44 and some other lands of the village as follows:-

(a) In 1898, S. No. 44, area sold 6 acre 24 gunthas bearing assessment Rs 8-14-0, consideration Rs 400. This is 44 times the assessment or Rs 44 an acre nearly. This is a very old transaction.

(b) In 1910, S. No. 53, and 54 (2)

A. Gs.	Rs. A. P.	} for Rs 600
area 3- 12	assessment 8-14-0	
10- 25	16-10-0	

or Rs 48 an acre or less than 50 times the assessment.

(c) In 1914, S. Nos. 4/4 and 27/2, area

A. Gs.	Rs. A. P.	} consideration Rs 1000.
4 -5	assessment 7 - 2-0	
4-8	8 - 8-0	
<u>8-13</u>	<u>9 - 0 - 0</u>	

This comes to Rs 120 per acre or more than 1000 times the assessment. It is not known what particular reason there was for very high rate of sale in this case. One reason ^{no doubt} ~~perhaps~~ was the nearness of this land to the village site, or the soil ^{this is} ~~may be~~ good ^{black} black soil. Taking all the transactions together it appears to me that

that Rs 50 per acre is the proper price for these two numbers. To the amount due will be added 15% for compulsory and interest on the whole amount from taking possession viz from April 1910 when construction of the road was commenced. (date of taking possession of each land is but the road was completed in October 1910) rate of interest to be allowed will be Rs 8 as mentioned in section 34 of the Land Acquisition Act.

9. S. No. 93 measures 17 acres 36 gunthas and is assessed at Rs 27-4-0. 1 acre 8 gunthas out of it is assessed at Rs 1-6-0 has been taken up. This is Sarkari Jirayat land. The Panch have estimated its value at Rs 100/- per acre or nearly 100 times the assessment. The owner, Fakirappa, refuses to take any money compensation but asks for land in exchange. As under existing orders exchange of lands is not possible, I assess the amount to be paid as compensation and leave him the choice of a refusal to take it. This land is though near Railway Station of Hattimattur further away from the village site of Jallapur than Nos 44 and 45. The Panch have given no reason why they have assessed this land *It is however somewhat better assessed than the other.* I decide that a fair value for this land ~~is~~^{is} Rs ⁷⁵50 per acre.

10. S. Nos . 69 and 70 and 71 belong to one individual Gowri-Shanker Ramprasad. These are all Sarkari Jirayat lands.

No.	Area.	Assessment.	Land taken -	
			Area.	Assessment.
69	27 28-36	9 - 8 - 0	0-20	9 - 3 - 0
70	14-17	5 - 14 - 0	1-30	0 - 11-0
71	24-2	16-10 - 0	1-38	1 - 5 - 0
	60-15	32 - 0 - 0		

These

These lands are assessed much lower than the S. Nos. considered above.

These Nos together with No. 68 containing about 20 acres had been let out for a rent of Rs 64 after paying assessment or less than ~~the~~ twice the assessment or Rupee one per acre. Panch valuation of the land is Rs 25 per acre. The owner demands Rs 40 per acre. Both are obviously exorbitant demands. 10 times the rental value is usually taken as the sale value. At this rate Rs 10 per acre would be a fair value. Previous sale transactions in this case show that in the year 1905 S. No. 72 (Sarkari area 28-27 assessment 17-12-0) was sold for Rs 170 or only Rs 6 an acre. This was 10 years ago. I therefore hold that Rs 10 an acre is the fair price to assess.

11. My award therefore under section 11 of the Land Acquisition Act is as follows:-

The rest of the lands have been given by their owners ~~for~~ free of compensation subject to the ----- condition of enjoyment by them of the fruit of the trees that may be ~~be~~ planted by the side of the road. No compensation is therefore awarded on their account. With regard to the statement of Gangawa Kom Basapa claiming compensation now it may be said that it was on her own asking that the road was not constructed in a line running ~~xxxx~~ just outside her field as originally proposed but taken through it. She is therefore estopped from claiming any compensation now.
